

WorkBC

YOUR GATEWAY TO LABOUR MARKET INFORMATION

WorkBC is designed for all British Columbians and those who want to work in B.C.

No matter who you are, you'll find the **WorkBC** website packed with practical, down-to-earth information you can use.

- » *Exploring a career direction or educational pathway?*
- » *Looking for a job or thinking about self-employment?*
- » *Helping your child, students or clients make decisions?*
- » *Seeking employees?*
- » *Analyzing labour market trends and forecasts to make plans?*

Clarify your direction, make decisions and take action to reach your goals. Or help someone else take those steps to success.

Here is a preview of the resources you'll find at www.workbc.ca.

WorkBC Parents' Guide

For career and employment planning, the **WorkBC** parents' guide provides a roadmap and step-by-step guide to planning for the future.

How to Attract, Retain and Engage Employees

This downloadable PDF booklet helps employers develop winning strategies for finding and keeping valued employees. Four other booklets for employers are also available on the **WorkBC** website.

B.C. Labour Market Programs Inventory

Explore B.C. programs and services that help people gain skills and find employment. Search filters at the top allow you to search by keyword and location.
