

Occupation Skills Teacher Instructions

Activity: Students match a list of the 14 essential skills to a description of each skill using a list of skills and definitions found on *WorkBC.ca*

Materials: *Occupation Skills* worksheets

These skills will be referred to at the Find Your Fit event and on the Labour Market Information Tools online (Career Profiles www.workbc.ca/Jobs-Careers/Explore-Careers.aspx and WorkBC's Career Trek www.careertrekbc.ca).

Time Required: 20 minutes

Instructions:

1. Provide each student (or pair of students) with one *Occupation Skills* worksheet.
2. Ask students to match each skill (listed by letter) with the correct description of that skill (listed by number).
3. Use the answer key provided to review the correct answers as a class.
