

Community Workforce Response Grant

Business BCeID Questions and Answers

In order to submit an application to the Community Workforce Response Grant program (CWRG), you will need to be an authorized representative of your organization and have a Business BCeID account. Obtaining a Business BCeID account is simple and there is no cost.

What do I do when ...	Answer
<p>I know my organization is registered with BCeID but I do not have a Business BCeID.</p> <p>I have a Business BCeID but I have forgotten it.</p> <p>I have a Business BCeID but I forget the password.</p>	<p>Contact the authorized representative in your organization that manages your Business BCeID account. This person is your Business Profile Manager or Business Accounts Manager and can issue you a Business BCeID or reset your password.</p> <p>To identify the Business Accounts Manager in your organization, click here.</p>
<p>I am not the person with the authority to register our organization with BCeID.</p>	<p>Contact your manager or the appropriate department in your organization and ask that an authorized representative of your organization register your organization with BCeID.</p> <p>You must be an authorized representative of your organization to use the Skills Training Grants System.</p>
<p>My organization has never registered with BCeID.</p>	<p>An authorized representative of your organization can go to www.BCeID.ca and start the registration process. There is no cost for registering.</p>
<p>I have a Business BCeID from my last employer.</p>	<p>You must have a Business BCeID issued to you by your current employer. Contact the person in your organization that manages your Business BCeID account.</p>
